

# BSI Training Academy Australia

Training Schedule  
Jul to Dec 2026

## Highlights

### Artificial Intelligence (AI) Training

Build a robust foundation to effectively use, develop, communicate, or promote AI solutions with our training courses and qualifications.

[View Courses](#)

### Training Catalogue

BSI Training Academy's comprehensive guide to training courses and qualifications, designed to support your professional growth.

[View Catalogue](#)

### ESG Manager Qualifications

You'll learn how ESG works in practice and how to communicate it clearly, through simple, structured learning that leads to a globally recognized qualification.

# About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change, to win the talent war and to outperform the competition, they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option. BSI Training Academy is key to this, supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

**Our approach** - accelerated learning via participation in activity-based learning and sharing with peers.

**Expert tutors in their field** - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

**Internationally recognized BSI certificates** - a BSI Training Academy certificate is a mark of expertise, quality and integrity.

**BSI Blockchain-based solutions** - enables you to showcase your achievements with just on click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains. [Watch demo](#)

# Choose from a variety of training delivery formats

Flexible and adaptable delivery methods to ensure your learning solution maximizes your strategic goals, whilst adapting to varying learning styles, levels of expertise, and location of you and your teams.

## **Virtual instructor led training (VILT)**

With BSI's **live online training**, you can take the same high-quality classroom course with the same expert tutor, simply delivered in a virtual environment, regardless of where you're located.

## **Instructor led training (ILT)**

Choose a date and venue near you, joining delegates from other companies. Our public training courses take place in convenient locations.

## **On-site at your premises (In-house)**

The same high-quality training delivered face-to-face in your location.

## **On-demand eLearning (OD)**

Our on-demand training delivers high-quality content using a combination of video, online course materials and embedded assessment, enabling you to study at your own pace, in your own time.

Course dates may subject to changes due to unforeseen circumstances. Do contact us prior to enrolment.

# BSI Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust.

The BSI 'Professional' badge is used by individuals who have passed a BSI training course successfully. The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information. In addition to highlighting a person's professional competence, is also provides confidence and helps you stand out.

## Auditor Qualifications

Internal Auditor and lead auditor pathway, with three stages (practitioner, professional and certified professional)

- ISO 9001 auditor qualifications
- ISO 13485 auditor qualifications
- ISO 14001 auditor qualifications
- ISO 45001 auditor qualification
- ISO/IEC 27001 auditor qualifications
- ISO/IEC 42001 auditor qualifications

## Greenhouse Gas Qualifications

Two stages (practitioner and professional)

## Food Safety Foundation Qualification

Foundation stage

## AI Management Practitioner Qualification

Course dates may subject to changes due to unforeseen circumstances. Do contact us prior to enrolment.

### AI Management Practitioner Qualification

Our AI Management Practitioner qualification equips you with the knowledge and skills to assess the conformance and implementation of an Artificial Intelligence Management System agnostically; with its family of standards:

- understand of the concepts which underpin ISO/IEC 22989:2023 as a normative reference in ISO/IEC 42001:2023
- determine the necessary controls for effective implementation from the 38 risk controls, as a risk-based standard ISO/IEC 42001:2023
- build a risk management system based on ISO/IEC 23894:2023
- be provided with the understanding and tools to conduct an AI System Impact Assessment, either in isolation or as part of an ISO/IEC 42001:12023 AI management system

These 5 courses are all available on demand for added flexibility.

[View pathway](#)

### AI Governance Qualification Pathways

The AI Governance Qualification journey includes:

- [AI Governance Foundation](#)
- [AI Governance Practitioner](#)
- [AI Governance Professional](#)

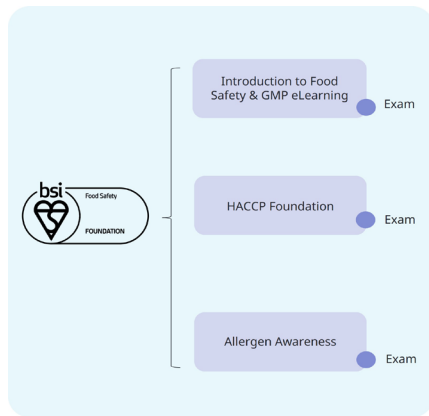

>> Ask our training advisor on how to book and attain the qualifications.

Course dates may subject to changes due to unforeseen circumstances. Do contact us prior to enrolment.
